WEBSITE TESTING AND FEEDBACK

Testing is still ongoing, and I would greatly appreciate your feedback. It would be helpful to have your opinion on any or all of the following areas:

1. Content:

- If there is anything you think should be removed, please don't hesitate to say so. I don't need your reasons.

Page Title:

Item:

- Please comment on the 'About my work' and 'Biography' pages, especially where it refers to you or your organisation.

- Are links to sources for artwork confusing or helpful?

Confusing

Helpful

1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - 10

- Is there anything missing?

- Any typos or stray bits of coding?

2. Functionality

I designed the site on Windows laptop and Android phone, so it's really important to know how you find using it on other operating systems and devices:

Viewed on Android Apple Other _____ Mobile Laptop Tablet PC

- Are the menu options and other links easy to select?

Difficult Easy
1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - 10

- Is text the right size?

- Any other functionality or design issues?

3. Please let me have **general comments** on the appropriateness of the site to the purpose for which it is intended.

I will post you a greeting card as a gift for your time in answering this survey. Please list the titles of three works and if there is a card I will send it to you, otherwise it will be a random selection.
